**LOCAL RED CROSS CHAPTER INVITES FAMILIES OF ACTIVE
MILITARY PERSONNEL TO LUNCH**

Families of active military personnel are invited to lunch on Saturday, March 21st, hosted by the local Chapter of the American Red Cross. The Chapter has started a Service to Military Families Committee with the objective of linking active duty military personnel with their families and other services. Saturday's lunch provides a venue for military families to suggest ideas as to how the Chapter can provide services for families and to network with each other.

Whether a service member is on a mission, in training, transferring between bases or on a ship at sea, he or she knows that the Red Cross will deliver notification when something important happens at home. The Red Cross now has the ability to provide services for military families to communicate with each other not just in a crisis. Services such as internet camera access which enables video recording of special family events are now available.

The lunch is free and open to all military families at the following location.

Where: Red Cross Office, 1790 Third Street, Napa

When: March 21st, 11:00 AM till 1:00 PM

Please RSVP to #257-2900 by March 19th.
